

If Canadian mortgages
were coffee orders...

Fixed-Rate Mortgage

Your Regular Latte

- Same payment every time — no surprises.
- Great for stability and budgeting.
- Perfect if you prefer peace of mind over rate changes.

Insured Mortgage (High-Ratio)

→ Espresso Shot

- Small down payment (as low as 5%).
- Backed by CMHC or other insurers.
- Fast-track to homeownership, ideal for first-time buyers.

Conventional Mortgage

↪ House Blend Black Coffee

- Requires at least 20% down.
- No mortgage insurance – simple and direct.
- A strong choice for experienced buyers with solid finances.

Adjustable-Rate Mortgage (ARM)

Seasonal Drink

- Starts off smooth with a lower rate (tastes great!).
- Rate adjusts based on market conditions – it could rise or fall.
- Best for short-term plans or those comfortable with a little change
