

A man and a young boy are in a room with a home temple. The man is lighting a diya (oil lamp) on a table decorated with flowers and petals. The boy is holding the matchstick. On the wall, there are framed pictures of Lord Shiva, Lord Ganesha, and Lord Hanuman. The scene is warm and intimate, with soft lighting from the diya.

Tomorrow is Hanuman Jayanti...
the day we remember Lord Hanuman's
strength, devotion, and loyalty.

Yes father...
Hanuman teaches
courage and faith.

I wish we had a
Hanuman idol in our
home temple.

If father loves Hanuman so much...
I should bring his blessing home.
