

THE GREAT BANANA HEIST

SHHHHH

Early morning mist floated gently over the wide green fields near the edge of the jungle...

"No mistakes. No chaos. We move like shadows."

Hornbill —
Aerial surveillance

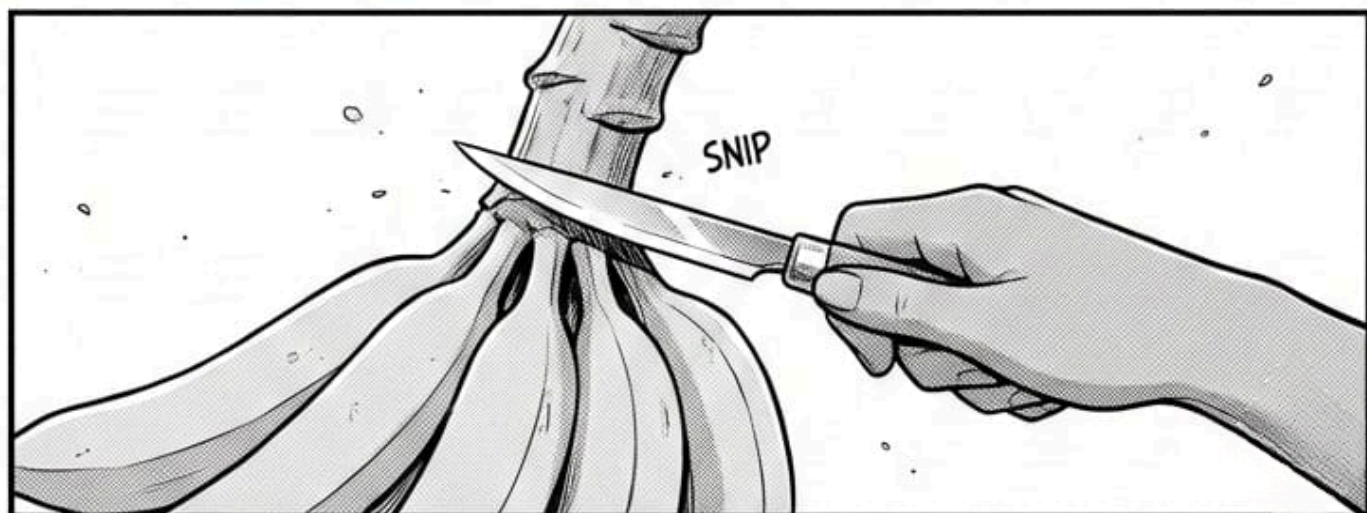

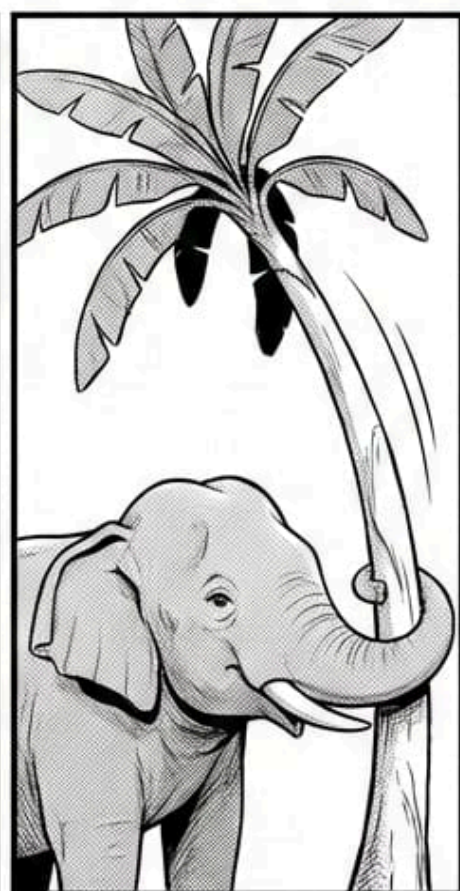

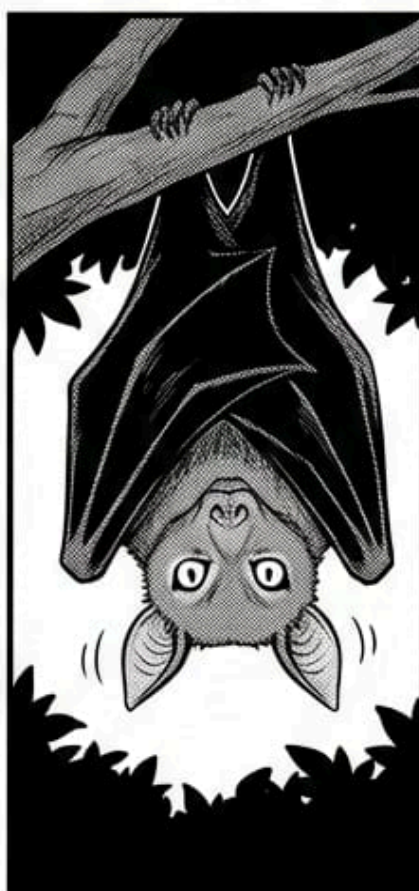

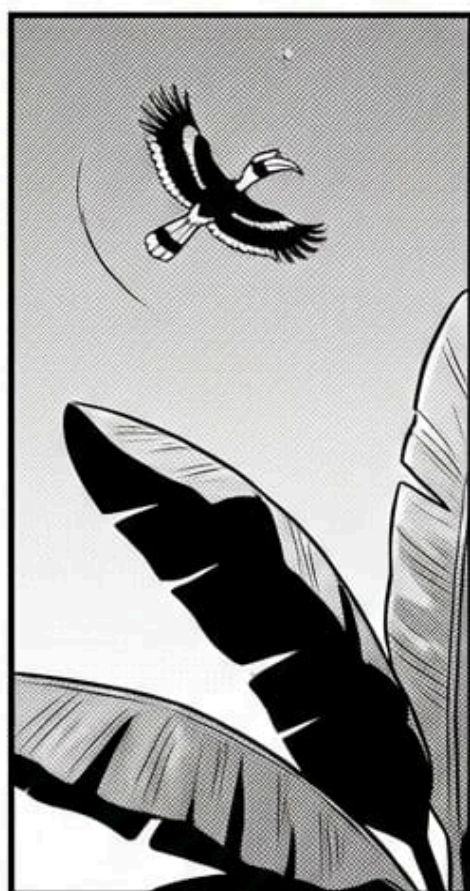

Giant Squirrel —
Silent canopy scout

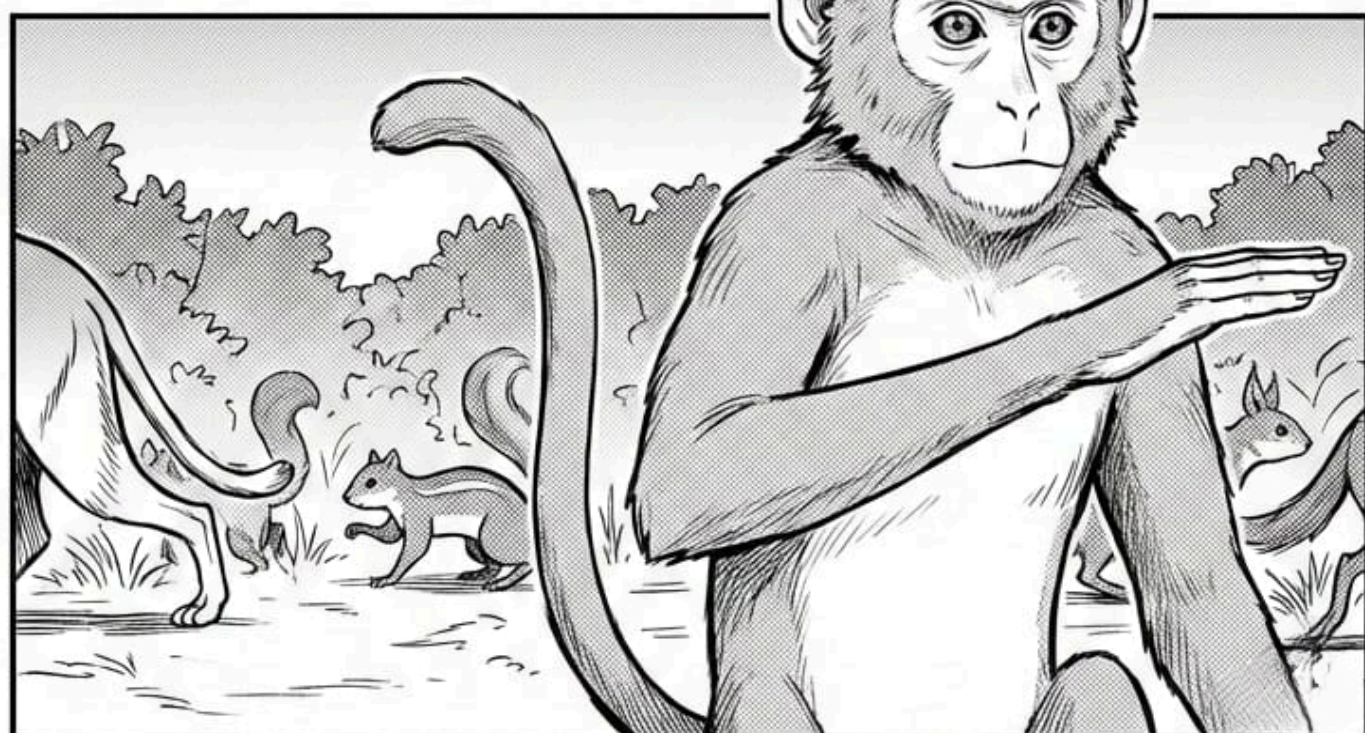

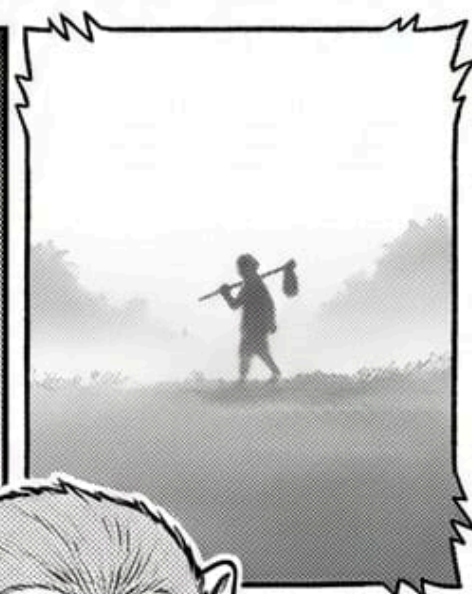

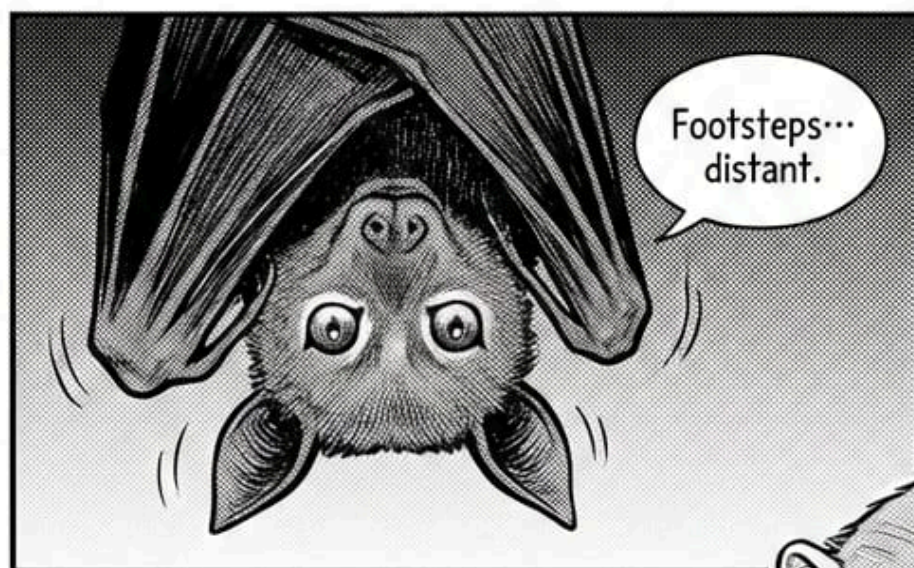

Momo —
Precision harvest

Dholu —
Controlled tree bend

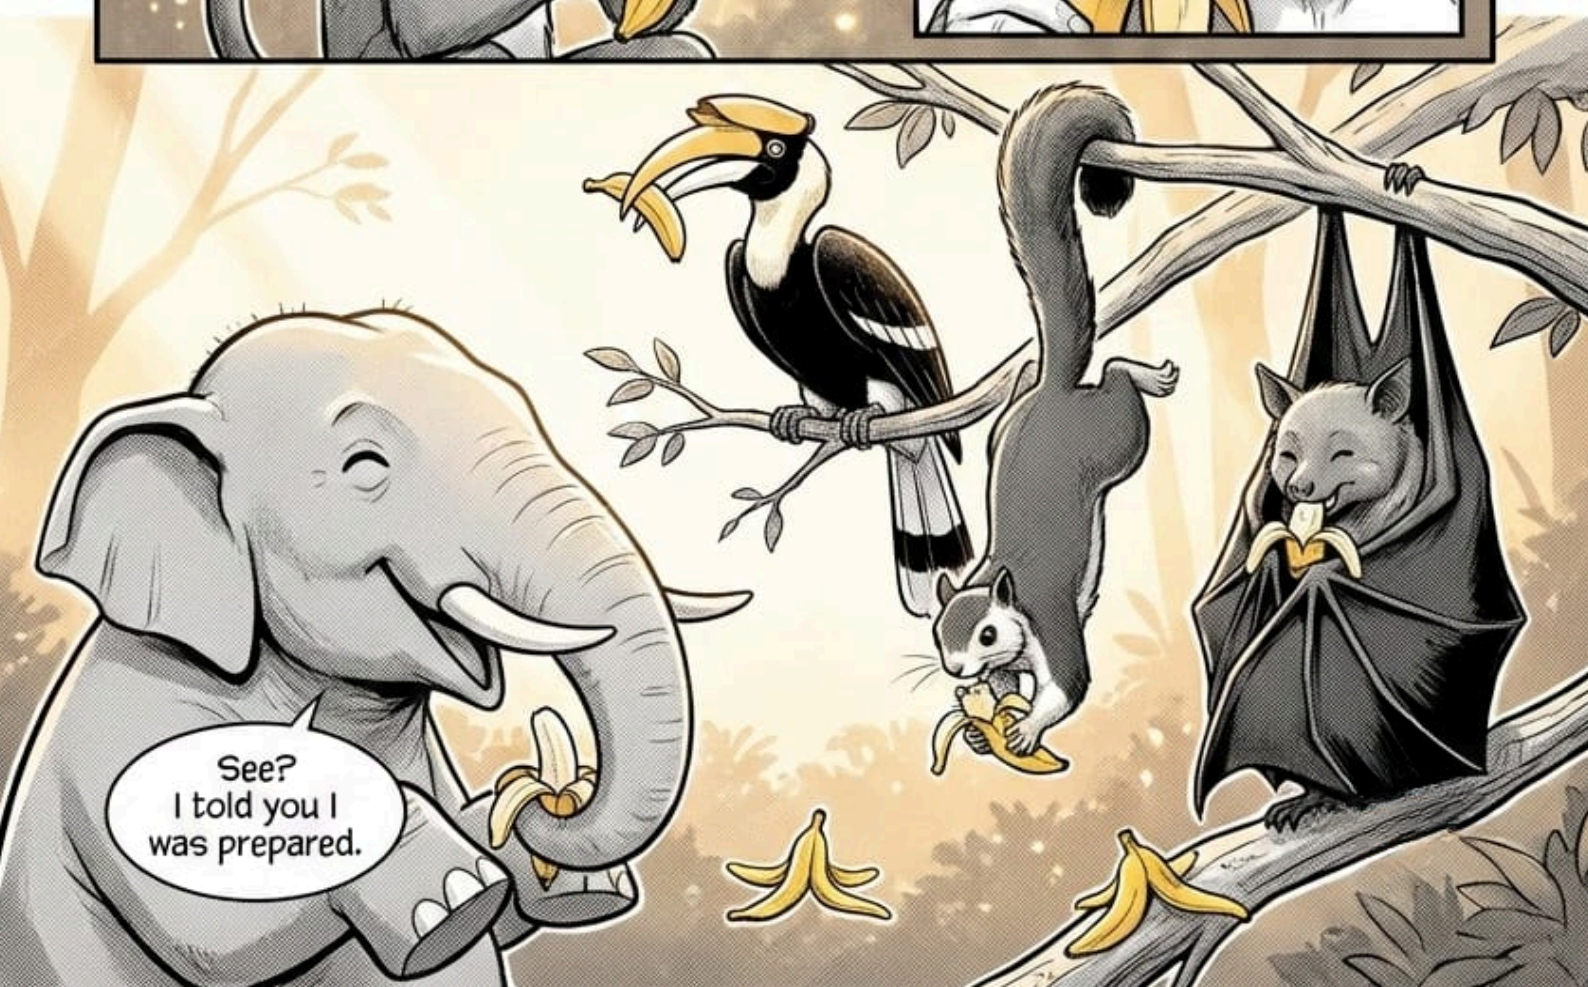

Fruit Bat —
Sound detection
& distance alert

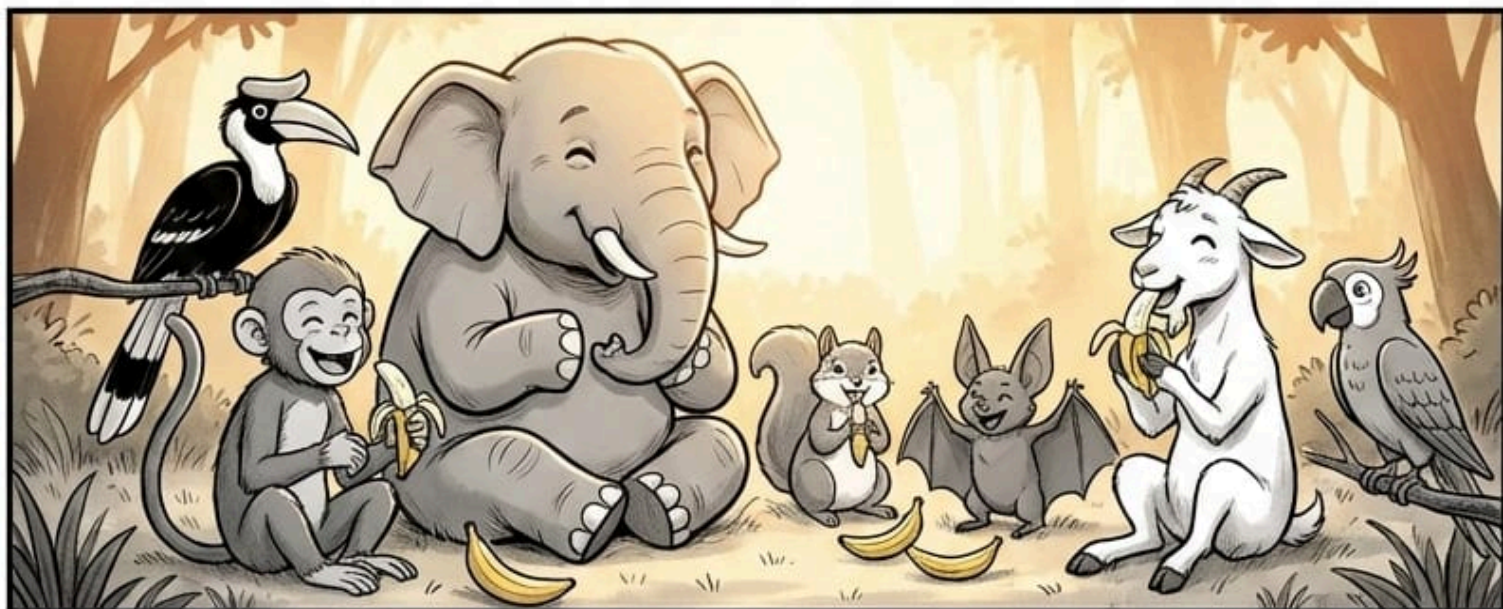

"I am fully prepared."

This time, the heist was not just a success... it was shared.
